### Equality Objectives 2022 – 26

To narrow the gap in attainment between different groups	Rigorously monitor the progress of all groups, to clearly identify any underachievement in performance and adjust provision to support progress. This objective is monitored by the Senior Leadership Team and key staff alongside the school governing body.
To promote Spiritual, Moral, Social and Cultural Development through all appropriate curricular activities, with particular reference to issues of equality and diversity.	Through worship and worship themes and PSHE. Giving children an awareness of different cultures, religions and beliefs through an enriched curriculum. Ensuring children do not use homophobic or racist language and that any incidents are dealt with immediately.
To ensure that pupils are punctual and attend school consistently.	School operates a First Day Response to absence and monitors attendance, daily, weekly and termly. Registers are checked twice daily and where there is concern the school attendance officer will work with SLT to help families improve.
To provide additional support for vulnerable children who are at risk of underachieving	Classroom support staff to support these children through intervention and in class support. Parent workshops and curriculum meetings throughout the year. Support via website and strong communication with parents and carers.

Agreed by Governors 14.6.22
